

PRESS RELEASE

Groupe Berkem extends its exclusive partnership with Barentz Personal Care to the personal care and cosmetics market in Germany, Austria and German-speaking Switzerland.

Blanquefort (France) & Oberhausen (Germany), November 28th, 2022 at 6pm - Groupe Berkem, a leading player in plant chemistry (ISIN code: FR00140069V2 - mnemonic: ALKEM) has announced a new exclusive partnership with the company Barentz. After the US and Canadian markets at the beginning of November, the global leader in the distribution of specialty products also becomes the exclusive distributor of Groupe Berkem's sustainable ingredients in Germany, Austria and German-speaking Switzerland.

Through this partnership, the group aims to offer active ingredients, including those rich in polyphenols, floral waters and plant extracts in a wide range of sectors, including skin, face, body and hair care.

“The personal care and cosmetics markets are driven and stimulated by innovation and require efficiency and quality to meet the technical and regulatory expectations of the industry. Barentz is a privileged partner which will accompany us in our international development and in line with these challenges.” says **Eric Moussu, Vice President of Sales, Groupe Berkem.**

“Barentz would like to welcome Groupe Berkem to embellish our strong speciality portfolio offering in Germany, Austria and German-speaking Switzerland. As Barentz we are proud to present this exciting range of innovative raw materials from Berkem to our existing and future customers.” says **Chris Ott, Vice President Personal and Home Care, Barentz**

ABOUT GROUPE BERKEM

Groupe Berkem was founded in 1993. It is an industrial chemistry company that operates in four markets: construction and materials; health, beauty and nutrition; hygiene and protection; and industry. Groupe Berkem is a leader in plant-based chemistry. It seeks to speed up the ecological transition of industrial players in everyday chemical products. The company is made up of four subsidiaries – BERKEM SAS (plant extraction), EUROLYO (customised freeze-drying), ADKALIS (formulation) and LIXOL (resin syntheses). It employs a total of around 165 talents, in its head office (Blanquefort, Gironde, France) and its three industrial sites in Gardonne (Dordogne, France), La Teste-de-Buch (Gironde, France) and Chartres (Eure-et-Loir, France). Groupe Berkem has been listed on the Euronext Growth Paris index since December 2021 (ISIN code: FR00140069V2 – ALKEM).
