Groupe Berkem postpones the publication of its 2022 annual results and its 2022 annual report, due to the transition to IFRS

Blanquefort (France), April 27, 2023, at 5:45 p.m. CEST - Groupe Berkem, a leading player in bio-based chemistry (ISIN code: FR00140069V2 - Ticker: ALKEM), announces the postponement the publication of its annual results for the year ending December 31, 2022. Initially scheduled for April 27, 2023, after market closing, it will now be published on May 16, 2023, after market closing, in conjunction with the availability of the 2022 annual report planned the same day.

In order to provide its shareholders, particularly foreign shareholders, with greater clarity, Groupe Berkem has decided to present its 2022 financial statements in accordance with IFRS. This transition is an important step and requires significant work on which the Company, its advisors under the supervision of its auditors (PWC and DEIXIS) have been working for several months. The Company has decided to postpone the publication of the 2022 annual results presented according to these new standards, given the numerous adjustments made necessary by this conversion.
